

Pirton Steering Group Note: (24/12/2014)

Note re Outline Planning Application by Court Homes Land off Priors Hill

A number of people in Pirton will have read the papers associated with the outline planning application submitted to NHDC by Court Homes regarding land off Priors Hill. Within the papers is reference by Court Homes to their knowledge that Pirton Parish Council, through the Neighbourhood Plan Steering Group, is developing a statutory Neighbourhood Plan for consideration by the Pirton Community. Court Homes then go on to say that they have been in discussion with the Steering Group.

This is **not** the case. There have been no discussions between Court Homes and the Steering Group, officially or unofficially. Members of the Steering Group knew of the outline planning application at the same time as other residents of Pirton.

It has always been the intention of the Steering Group to seek discussions with landowners and developers FOLLOWING the results of the recent questionnaire that so many in Pirton kindly completed. The Steering Group is clear that it must represent the views of the Pirton community, and we will be better able to do so when the results are to hand.

It remains for anyone interested in this outline application to make their individual views known to the NHDC.

Merry Christmas!
